DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Application 10/045,513 stands rejected by non-final action taken by examiner on November 10, 2004. No written response has been received by the office, although a response was due on February, 10 2005. The Examiner has communicated on several occasions with Applicant's representative Joseph Burwell.

Applicant's representative was contacted the week of May 22, 2005. Applicant's representative indicated that a response was filed within the six month period following the action and prior to May 17, 2005. Examiner respectively requested retransmittal of the indicated response. No response was received by the office. Examiner again contacted Applicant's representative within the timeframe of May 30 through June 18, 2005, the exact date of which is uncertain. Once again Applicant's representative indicated a response would be transmitted, and once again no such response was received. Two additional calls to Applicant's representative between June 18 and August 14, 2005 went unreturned.

The Examiner hereby sets a 30 day reply period from the mailing date of this communication for the applicant to reply with the indicated, yet omitted, reply to non-final action, as per MPEP 710.01 and rule 37 CFR 1.135(c). Any failure to reply within this time frame will result in abandonment of the application.

If the Applicant feels this notice is in error or needs to discuss any aspects of the necessary response the Examiner, Joshua Lohn, can be contacted at telephone number (571) 272-3661
